

DAS (R)EINE VOLK - GEFOLGT VON (R)EINHEIT!
(R)EINHEITSGEBOT #21

ENGLISH TRANSLATION

The fundamental topic of this time - the main tenor of all the times crying for purity – is the exceedingly powerful, invincible Third Sargon. Interesting and captivating is the content of the numerous prophecies, which have been handed down to us, assisting in our awakening, precisely for the reason, that the lonely righteous man, tormented by the unholy system to the minimum of existence, doesn't want to miss the great and very imposing avenger. Believe me, lonesome Righteous, this, what's going to happen, you can't miss.

How powerful, how valuable, how invincible, he truly is, none of the messengers can represent accurately, especially not those politically thinking actors, who all play a role in the deceptive amateur drama-club. Over years and decades, we acquired our knowledge about the Third Sargon from versatile presented ancient writings and published like no other before us, all the healing knowledge about the Third Sargon in our previous messages, discovering this way, that all of the prophecies, for example those of the high priestess Sajaha, have been precisely accurate until now. arrived. But simply to claim, as some analysing speaker does nowadays, the Third is a "Jesus Christ", a metaphor invented by Judah, or a blond Michael with his light-sword, DJ "T" is..., and another sees the witch Babajaga appear in his fairy tale ...

Again and again truth seekers and deceivers jump on the train of the Third Sargon, also the good HaJo Müller, who had to place the bringer of salvation in the dark region of Israel, due to his commanded mission. According to his bright 'opinion' the Second Sargon - Nebuchadarsur - surely was an Israeli (the same way the Saxens ruled in the empire of the Rugans at the Baltic Sea), who started hunting down those "children of the devil". In principle, to bring a logical conclusion to the table, Nebuchadarsur himself was a "child of the devil", hunting and punishing himself. Who is still to believe all the bullshit that HaJo has to present?

ISRAEL is not our home, it has nothing in common with us or our people. The 12 tribes of Israel cannot be brought into accordance with our energy, as is always claimed incorrectly and above all thought, due to ignorance and misdirection. ISRAEL is pure manifestation of fiction of the devilish, founded in 1947 as an alleged state on Palestinian soil and since then has been spreading like an ulcer. But ISRAEL existed long before that, always fought over and the Templars also had great battles to fight there. We will look at the big picture of this topic at a given time in detail. ISRAEL can be seen as the seat of the "New Jahu" in its metropolis Jahusalem to give a brief overview in just two sentences.

But everything which Rothschild and the men, who controlled him, used for their advantage was stolen and taken away, including all the sacred energies of former humans, who today as PERSON-moths indulge in the false light of the "One Eye", and in doing so miserably die and perish. Be it our symbols, our holy habits, our home, everything was appropriated by the Satanicum.

It is only because of the mention of ISRAEL in the Bible, and because in it, it is referred to as the holy people - that it couldn't be Hebrews, was clear - many half-knowing people nowadays understand ISRAEL as the German people. This German people would have 12 tribes... I can hardly describe the nonsense that is hiding behind this deception. If this were true, then why uses the satanic association "EU" the 12 stars of ISRAEL on their false symbolism? Because the EU pays homage to the Germans? Just think logically! To think about oneself as ISRAEL's child, testifies again to the influence of incorrect manipulation imposed upon the slaves, degraded to play-dolls, who, by means of their JewTube channels attempt to subjugate others, even more lost and powerless.

Thank God, so many have already noticed the wrong game of the snake in a rattle-costume, because one, who does not know how to breathe freely, who does not know how to communicate freely without going into a coma, who is not capable of the German language and writing, cannot originate from our homeland. Even though the eloquent man in the curly outfit, with a long nose, atypical for Germans, tries to guide the duo again and again in the right direction, the company "HaJo Müller" is and remains only a part of the "S-Bahn network", which we talked about the day before yesterday.

But now a "Terrier" is to give us enriching pleasure, truth is on its agenda?

Anyway, they won't find out the perfect truth, meaning the real background of the worldwide slavery. It's a rip-off of Tobias Sommer's 666-channel. New rat-catchers, who try to recapture the ones leaving on detours, due to the many deceptions and the annoyed people of incomprehension. What actually represents a so called "*Hagen Land Warfare Order*"? This man is referred to by the host as "The Professional", a man, who supposedly knows everything, knows everyone, without ifs and buts.

Once again, to repeat: If DJ "T" had the explicit order, to remove the politically active puppets working in "GERMANY", this would have been done long ago, whether DEUTSCH likes it or not or not. As good Axel clearly presents in the video - he is not lying about this - they clearly have "ONE EYE" on us, which will remain the "ONE EYE" of Satan, until the Third Sargon, the true liberators of the very few "*lonely righteous*" will finally emerge and will wipe out all evil in ONE STRIKE, including the popular DJ. So mankind can't be saved, this is not the purpose of the event "Third Sargon"! Our ISAIS told us shining bright and unmistakably:

"(102) Few they are as a whole, and even from this few in number.

(103) Those whom I recognized through the Greenland mirror, the holy flock, to those my heart is devoted.

She, our sister ISAIS, to whom our love alone is directed, clearly announced, WHO and WHAT will remain after appearance of the great. Not the 999,999 scavengers, but just the one out of one million, who appreciates and fulfils the LAWS OF LIFE! The ALL POWER has no further interest to keep the murdering going, since this murder-pack is the reason, that always all of creation is in danger. And clearly DJ "T" isn't a peace lover, he is stuffing corpse after corpse into his mouth! To hear: "*Trump, he's so hot!*".... ??? Then join him and perish!

Several of our people entered my first and family names in the Gematria, claiming that I had something to do with this Third Sargon... but this is not true! It is said to be written there, that I am supposedly the avenger, I would end the office of DJ "T" and all the other nonsense, that is reported there. All these allegations are plain lies, I like the DJ very much, is he one of the few puppets of the Stage, which took on a new path, but the DJ is not independent as such. He acts under instruction and so do his principles, under the direction of a director, who is again also under direction himself. These directors - remember the outer sun "Bol" and the about three dozen continents outside the ice wall, and the knowledge, why Master Bruce and his son Brandon Lee were killed?- THERE we find the administrative level of the local stage actors. And from there a now receding power is emitted, because the Third is making his way. Since the beginning I act on behalf of the ALLPOWER, who controls the emergence of the Third Sargon, only that is true!

Him, the Third Sargon comes neither from the West, nor from the East! "*From the north he shall come upon the poisoned earth,*" says the wise seer Sajaha. He, the Third Sargon, is a German, not a Pseudo-someone, who over a hundred corners is of German descent. Clearly and unmistakably a perfectly upright German, originating from German soil:

*"From the trampled ground of Chaldea, the first spark of the new will arise. He will rise to the sky and fly, carried by hurried clouds, towards the land of the north. **From whose maltreated grounds the avenger, the liberator arises: the Third Sargon!"***

The Third Sargon rises from our maltreated grounds. Think, comrade, you will find the answer! But don't think that the rescue will come from the outside, and certainly not from a foreign country, who have to look after their own affairs. And leave the good HaJo and the curly-haired animator alone. They have done enough dama..., uhm, good for the country. POLITICS won't exist in the future, just as weapons and hostilities will be obsolete. Once again referring to the video, to the "Terrier" speaking on the right side, Axel Büscher, the professional in the matter of omniscience, who cheekily claims: If a person does not act intentionally, he is not to blame, that's even stated in the basic law. **WHAT'S GOING ON?**

Innocent ALONE are the animals, birds, fish, everything that crawls and flees and greening plants", according to the holy words in the Cosmic LAW OF LIFE, you remember? Where does it say innocence of the individual, who is conscious of his or her own nature?

Man can never and will never be allowed to be innocent, it is his duty in this world to acquire the cosmic LAWS, to follow them and to spread them among other people. Otherwise unbearable pain, according to the LAW! And, "Terrier", by the looks of you, you are far from free from the guilt of murdering our protégés! As long as the people live in this guilt of murder, no matter how lovingly they allegedly present themselves deceptively and even humorously, there will be limitations **for all of us** and since the unteachable humanity has proven that it does not want to voluntarily give up murder guilt - *it tastes so delicious!* - **THAT IS WHY** the Third Sargon will finally sweep away truly ALL of the fools loaded with murderous guilt.

It has long since ceased to be about states, empires or duchies, it is no longer about POLITICS and not even about the deception of the world stage. All this deception is nothing but a distraction for the lowest of the low, to give them the last chance to get off the S-Bahn. On the part of the VV, there is whining: *"People are dying, because you defend the BASIC LAW"*, while the microphone-Hannelore conjures one chicken leg after the other into her throat. All that is sneaky deception of the enemy of life, another S-Bahn on the system's track network. No matter which 'train' you step on, you will always be shit on with credible pros and cons and before you realise it, you are once again part of the system. But it is not about the choice of the PERSONS, no longer about kings or emperors, these ancient conditions had their justification, are however long since part of history.

YOUR PURITY IS REQUIRED!

The goal of this new age is the introduction of the **COSMIC LAW as the ONLY MANIFEST** of the godly, elemental and fixed order in a formerly satanic system. Just as it would never be possible to reorganise the administrative company GERMANY with all the rabble working in it, our Irtha can and will not be able to enter the new age of peace with billions of murderous felons and so that's why we will welcome in the near future, the One, who will sweep away **7 out of 10**, worldwide!

Only in that sacred moment:

In which peace is valued by **all LIVING beings**,
peace may also be granted to all living creatures!

Tomorrow we will be discussing a very positive topic. The cameraman, granted to me by special permission, is now finished with the first series of pictures of the future giant trees, the evaluation will take place immediately after the completion of this message. It is hard to grasp, what has happened in terms of growth within the past 11 days, since the first fertilization. On average 4-5 cm per day for all fertilized trees, although some of them have only recently received the fertilizer. In the future we will be able to add rapid growth every year to the size and width of the new giant trees. These are the topics, that will make the living-being Irtha shine in a new light!

In Liebe und Verbundenheit.
